Please note:

The below information pertains to the Lojack stolen vehicle system for cars and trucks. At this time we do not offer service for motorcycles, including slingshots. If you are looking to protect construction equipment, such as tractors, trailers, general equipment, please contact us at 1-800-456-5225 and choose the commercial option (option 2) . For information on Lojack Suredrive please contact 1 -844-7-Lojack (565225).

Please be sure to check the link below for coverage in your area.

Thank you for your interest in LoJack, the worldwide provider of vehicle theft recovery systems. LoJack offers the most effective solution for recovering a stolen vehicle. In fact, our proven technology and direct integration with law enforcement have allowed us to achieve over a 90% recovery rate – and many recoveries happen within hours.

Please review the following options to find a solution that best suits your needs. When you are ready to purchase your Theft Recovery Package, please contact me at the number below. I will need your vehicle's identification number to proceed with the order process.

LoJack Stolen Vehicle Recovery System - MSRP: \$695.00 (+ applicable state taxes)

This is a onetime upfront fee with no monthly or annual charges

\$100 off second vehicle

Pricing is the same for Classic or Regular Lojack

The LoJack Stolen Vehicle Recovery System (SVRS) is the only system directly integrated with Law Enforcement, and is a proven way to defeat the professional car thief. When a stolen vehicle report is filed with the police, a small transmitter that is hidden covertly in the vehicle is automatically activated. Police can then track and recover the stolen vehicle. Includes a two year Limited Recovery Warranty that provides you with a money back guarantee - if your vehicle is stolen from a coverage area and not recovered within 24 hours from the time it is reported stolen, LoJack will refund you up to the MSRP of the unit.

LoJack Early Warning Upgrade - MSRP: \$300

An added layer of protection that reduces the time between the theft and theft discovery. Comes with (2) Early Warning Key Fobs. If the vehicle is moved without the presence of the key fob in the vehicle, the owner will receive and alert via phone, text and/or email that the vehicle is on the move. If you determine that the vehicle has been stolen, you can contact the police to report the theft and have the LoJack Stolen Vehicle Recovery System activated

*early warning not available in the state of Michigan

LoJack Extended Limited Warranty - MSRP: \$100

Enhances your LoJack Stolen Vehicle Recovery System with an extended warranty that adds an additional 5 years of warranty coverage, for a total of 7 years of protection. Provides a full refund up to the MSRP of the LoJack system if the vehicle is stolen from a coverage area and not recovered within 24 hours.
